

End of July (26.07 -. 01/08/2015) we are celebrating the 20th birthday of EnduRoMania

In late **July 1995**, the **first EnduRoMania** took place. Meanwhile, the EnduRoMania has been performed over 130 times. Several thousand Enduro friends were in the 20 years there.

All-terrain vehicles are allowed: from MTBs Trial motorcycles, sport bikes, touring bikes, sport-enduros, ATVs, Side by Sides buggies, 4x4 trucks, SUV's and light and heavy trucks (from Unimog to Kamaz). Most participants ride sport bikes.

The **EnduRoMania is open to all**, from beginners to professionals. EnduRoMania is also suitable for guided tours and is hosting Hard-Enduro training with Graham Jarvis.

The **first exclusive "Buggy Side by Side" Rally** named "1st CARPATHIAN BUGGY CHALLENGE" took place in August 2014 (see www.buggymaniacs.com). In September 2015, the "2nd CARPATHIAN BUGGY CHALLENGE" will be held.

The **EnduRoMania headquarter** started in 2007 its operation in Brebu Nou.

The **first version of the web site** - www.enduromania.net - started its operation in 1996. Since 2008 EnduRoMania also has a presence on Facebook.

In the 20 years a **strong international "EnduRoMania community"** developed and contributed significantly to the country's development as a popular enduro and off-road sport tourism destination in Europe.

The 20th anniversary year of the EnduRoMania is bringing following news

EnduRoMania Community - All official participants belong automatically to the EnduRoMania community. The members of the EnduRoMania community receive at discounted cost the following services: full information package (including printed maps, digital maps and GPS data), accommodation, meals, repair & maintenance works / mechanic, rescue operations, transfer from Timisoara airport to Brebu Nou and back, enduro guiding and training, vehicle hire and the opportunity to participate in a financially advantageous enduro-sharing package. The membership of EnduRoMania community remains valid, as long as the registration fee for the "EnduRoMania Classic" or "EnduRoMania Anytime" is paid.

The **EnduRoMania Web Site** www.enduromania.net now has a contemporary design and ease of use.

Improved maps that can allow a GPS navigation and may be installed on laptops, modern Garmin devices, tablets and smartphones.

Extra security system that uses GPS and GSM in order to track the position of the teams equipped with tracking devices in real time on the monitor in EnduRoMania guest house (on request).

From the company called "Black Forest Shuttle" we have for the **collective transport of bikes** from Germany to Brebu Nou and back an advantageous offer (200, - € / Enduro).

Availability of cheap flights with the low cost airline WizzAir from Dortmund, Frankfurt-Hahn and Munich-Memmingen and many other European airports to Timisoara and back.

And last but not least, Romania has since the end of 2014, a **German president**, Mr. Klaus Johannis, until the end of 2014 the Lord Mayor of Hermannstadt (Sibiu) - where since 2004 the most extreme hard enduro event in the world - RedBullRomaniacs - is performed.
